23/3/2024,

Dear Members of the ESC Cardio-oncology Council Selection Committee,

I am writing to express my sincere interest and strong motivation to join the Nucleus of the ESC Cardio-oncology Council at the position of Communications Coordinator. I am board certified in Cardio-oncology by ICOS and I am also a member of the executive board of the Greek Chapter of Cardio-Oncology. Finally, I am the Chairperson of the Working Group of Cardio-oncology of the Hellenic Society of Cardiology (2024-2026). Having actively contributed to the field of Cardio-Oncology, I am eager to collaborate with esteemed professionals in advancing the objectives of the ESC Cardio-oncology Council.

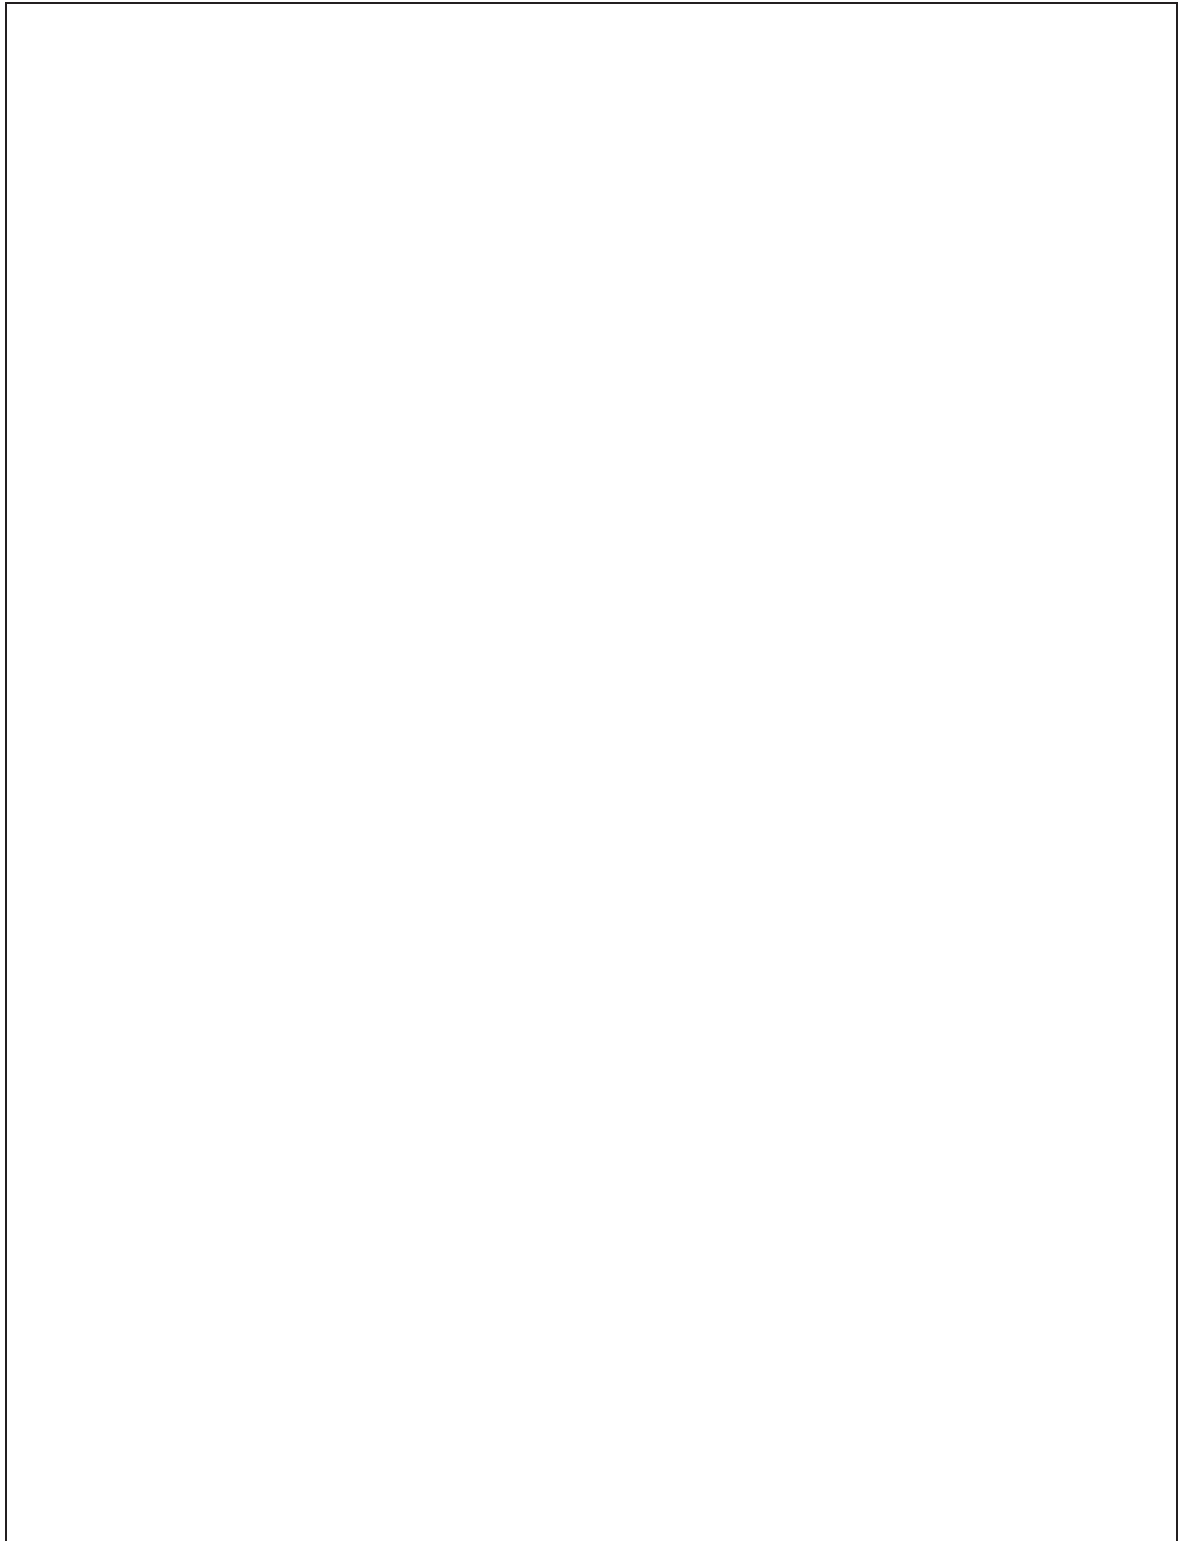

By becoming a member of the nucleus, I aim to contribute my skills, insights, and passion for improving the cardiovascular care of oncology patients. As the Communications Coordinator, I am committed to promoting awareness, disseminating knowledge, and fostering meaningful connections within the cardio-oncology community, ultimately contributing to the advancement of patient care and research in this critical field. Moreover, my ability to work collaboratively within interdisciplinary teams aligns with the council's emphasis on fostering partnerships between cardiology and oncology specialists.

Joining the nucleus of the ESC Cardio-oncology Council would not only be a personal and professional honor but also an opportunity to contribute meaningfully to the advancement of cardio-oncology on a global scale.

Thank you for considering my application. I am enthusiastic about the prospect of contributing to the ESC Cardio-oncology Council and I am eager to bring my expertise to further the council's impactful work.

Sincerely,

Kalliopi Keramida

SHORT CURRICULUM VITAE OF KERAMIDA KALLIOPI

PERSONAL INFORMATION

SURNAME/NAME: Keramida Kalliopi
DATE OF BIRTH: 8th of December 1977
NATIONALITY: Greek
ADDRESS: Pavlou Mela 4, Ilioupolis, Athens, Greece
CONTACT PHONE: +306947996393
Email: keramidakalliopi@hotmail.com
LANGUAGES: Greek, English
FAMILY STATUS: Mother of 2 children (12 and 15 years old)

EDUCATION

- (1996-2002) Medical School of National and Kapodistrian University of Athens
- (2006-2008) MSc in Intensive Care Units – Cardiology Nursing in Medical School of National and Kapodistrian University of Athens
- (2008-2013) PhD in “Pulse Wave Velocity before and after Cold Pressor test and correlation of the results with left ventricle mass and other indices of endothelial dysfunction in patients with arterial hypertension, arterial hypertension and metabolic syndrome and arterial hypertension and diabetes mellitus”, in National and Kapodistrian University of Athens
- 6/2014 European Diploma in General Cardiology (KBA)
- 10/2014 Greek Specialty title in Cardiology
- 2016-2018 Post Graduate Course in Heart Failure (PCHF)- Zurich Heart House/European Society of Cardiology/European Heart Academy

ACCREDITATIONS

- ✓ 2014 Accreditation in Adult Transthoracic Echocardiography (TTE) from the European Association of Cardiovascular Imaging (EACVI)
- ✓ 2016 Certification in Heart Failure by the Heart Failure Association (HFA) of the European Society of Cardiology
- ✓ 2017 Accreditation in Adult Transesophageal Echocardiography (TOE) from the European Association of Cardiovascular Imaging (EACVI)
- ✓ 2017 Accreditation Excellence in Lipidology by European Society of Atherosclerosis
- ✓ 2018 Accreditation Excellence in Thrombosis by Institute for the Study and Education on Thrombosis and Antithrombotic therapy
- ✓ 2020 Board Certification in Cardio-Oncology by International Cardio-Oncology Society (ICOS)
- ✓ 2020 Fellow of International Cardio-Oncology Society (F-ICOS)
- ✓ 2020 Fellow of European Society of Cardiology (FESC)
- ✓ 2021 Fellow of Heart Failure Association (FHFA)

APPOINTMENTS (CLINICAL/RESEARCH)

- 4/2007-12/2008 Resident in internal medicine in Sismanogleio Hospital
- 1/2009 - 10/2014 Resident in Cardiology in Cardiology Clinic of Thriassio Hospital of Elefsina, Athens
- 3/2015 – 1/2017 Research Fellow in Hammersmith Hospital, Imperial College, London

- 2/2017-2/2018 Clinical Fellow, Cardiomyopathies-Cardio-Oncology Clinic, University Hospital of Athens, Hippokrateio Hospital, Athens
- 10/2018 – 12-2019 Lecturer of Cardiology in the Medical School of the University of Cyprus
- 1/2020 – 5/2021 Cardiology Clinic/Cardio-Oncology Service in Attikon University Hospital, Athens, Greece
- 6/2021 – now Consultant Cardiologist in General Anti-Cancer, Oncological Hospital Agios Savvas, Athens, Greece

MEMBER OF SCIENTIFIC SOCIETIES

- 2013-2024 Member of European Association of Cardiovascular Imaging (EACVI)
- 2016-2018 Member of British Society of Echocardiography (BSE)
- 2015-2024 Member of Hellenic Society of Cardiology (HSC)
- 2015-2020 Committee Member of the Greek Working Group of Echocardiography
- 2015-2024 Member of European Heart Failure Association (HFA)
- 2015-2021 Task Force Member of Heart Failure of Tomorrow (HOT)
- 2017-2024 ESC European Association of Preventive Cardiology (EAPC)
- 2018-2024 Member of the ESC Council on Cardio-Oncology
- 2018-2020 HoT member in the Study Group of Takotsubo
- 2020-2022 HoT member in the Study Group of Cardio-Oncology
- 2020-2022 Committee Member of the Working Group of Heart Failure of the Hellenic Society of Cardiology
- 2020-2022 HoT member in the Study Group of Imaging
- 2021-2024 Member of the ESC Study Group on Cardiovascular Pharmacotherapy
- 2022-2024 Committee member of the Study Group of Cardio-Oncology of HFA
- 2022-2024 Vice Chairman of the Greek Working Group of Cardio-Oncology of the Hellenic Society of Cardiology
- 2024-2026 Chairperson of the Greek Working Group of Cardio-Oncology of the Hellenic Society of Cardiology

INVITED REVIEWER IN PEER-REVIEWED SCIENTIFIC JOURNALS:

CHAPTERS IN INTERNATIONAL BOOKS

Chapter 27.21 - Bone marrow stem cell transplantation and cardiovascular disease, in ESC Textbook of Cardiovascular Medicine (to be printed).

CHAPTERS IN GREEK BOOKS

1. Chapter: Radiology laboratory in the diagnosis of lung cancer in the book: "Contribution of the laboratory to the assessment of the pulmonary patient," Publications of the Hellenic Pulmonary Society, Athens 2009.
2. Chapter: Imaging methods for the assessment of patients with heart failure, in the Handbook: "Heart Failure - Comorbidities: Prevention, management, and staying in care," Athens 2017.
3. Chapter: Heart failure, in the book: "Clinical Dietetics and Nutrition with Pathology Elements," Broken Hill Publications (forthcoming), 2020.
4. Chapter: Infections of the Cardiovascular System, in the book: "GUIDE FOR THE TREATMENT OF COMMON INFECTIONS IN PRIMARY HEALTH CARE (PHC)" of the Cyprus Society of Clinical Microbiology and Infectious Diseases, 2020.
5. Chapter: "Cardio-oncology" in the book "Cardiology" by Hahalís (forthcoming 2024).

PARTICIPATION IN RESEARCH PROGRAMMES

- International clinical trial: I-PRESERVE: «Irbesartan in Heart Failure with Preserves Systolic Function» (sub-investigator) (2005-2008).
- International clinical trial Eurhobop (co-investigator) (2011).
- International clinical trial GSK BET 116183 (sub-investigator) (2015-2016).

- International clinical trial CRICKET (sub-investigator) (2016).
- International clinical trial BR-141(sub-investigator) (2016).
- International clinical trial WINTAVI (Women's INternational Transcatheter Aortic Valve Implantation Registry) (sub-investigator) (2015-2016).
- Panhellenic registry of stress echo in Greece (organized by the Working Group of Echocardiography by Hellenic Society of Cardiology) (principal investigator) (2017-2018).
- Panhellenic registry of Cardio-oncology Clinics in Greece (organized by Hellenic Society of Heart Failure) (principal investigator) (EMEKA) (2018 και 2020).
- Participation in the panhellenic registry of "High cardiotoxicity risk patients" (organized by the Working Group of Cardio-Oncology by Hellenic Society of Cardiology) (2019-2020).
- International Phase IIa Clinical Study titled: "A multicenter, randomized, parallel-group, double-blind, active- and placebo-controlled study of BAY1753011, a dual V1a/V2 vasopressin receptor antagonist, in patients with congestive heart failure: AVANTI study" (from January 1, 2020).
- International Clinical Study BETA3 LVH: "A multicenter, randomized, placebo-controlled study of mirabegron, a novel β 3-adrenergic receptor agonist, in the evolution of left ventricular mass and diastolic function in patients with structural heart disease", 2021.
- "Hyperglycemia in acute heart failure" (thesis in the postgraduate program "Clinical and Preventive Cardiology", National and Kapodistrian University of Athens), 2021.
- "Fatigue assessment in patients with chronic heart failure and its association with left ventricular ejection fraction" (thesis in the postgraduate program "Laboratory and Clinical Cardiac Nursing", National and Kapodistrian University of Athens), 2021.

Ongoing research projects

- «An Interdisciplinary Approach for the Management of the Elderly Multimorbid Patient with Breast Cancer Therapy Induced Cardiac Toxicity» (CARDIOCARE Project) funded from the European Union's Horizon 2020 Research and Innovation Program under Grant Agreement No 945175.
- "The prognostic value of electrocardiography in the development of cardiotoxicity in oncology patients", Cardiology Department, General Anticancer Hospital, Agios Savvas.
- "Frailty and fatigue in patients with heart failure and in patients with cancer" (Medical School, National and Kapodistrian University of Athens, subject of doctoral thesis).
- "Systematic cardiological assessment and monitoring of patients with cancer", Cardiology Department, General Anticancer Hospital, Agios Savvas.
